Dear Mr. Strickland:

This letter is to update the Part 566 filing for Volkswagen Group of America, Inc. (VWGoA) which was submitted May 27, 2008 (copy attached).

In addition to continuing the importation of vehicles manufactured by corporate affiliates as described in the May 27, 2008 letter, another VWGoA affiliate, Volkswagen Group of America Chattanooga Operations, LLC has initiated the production of passenger cars at an assembly plant located in Chattanooga, Tennessee. The initial production from this plant is for passenger cars in the gross vehicle weight range from 4,000 to 5,000 pounds but may in the future be expanded to other categories of passenger cars or to multi-purpose passenger vehicles that could range from 4,700 pounds to 7,000 pounds.

Please contact me or Steven G. Jonas of my staff (248-754-3760) if you desire any further clarification or information relating to this notification.

Sincerely,

VOLKSWAGEN GROUP OF AMERICA, INC.

PHONE +1 248 754 5000

Dear Ms. Nason:

Effective January 1, 2008, Volkswagen of America, Inc., a United States importer of Volkswagen and Audi vehicles has changed its name to Volkswagen Group of America, Inc. and is hereby submitting an update to its Part 566 "Manufacturer Identification" information. The State of incorporation of Volkswagen Group of America, Inc. is New Jersey.

The previous headquarters address for Volkswagen Group of America, Inc. was 3800 Hamlin Road, Auburn Hills, MI 48326. Effective May 1, 2008, the new headquarters address for Volkswagen Group of America, Inc. is 2200 Ferdinand Porsche Drive, Herndon, VA 20171, telephone 703-364-7000.

Volkswagen Group of America, Inc. imports Volkswagen and Audi brand passenger cars and multi-purpose passenger vehicles manufactured in Mexico, Brazil, and various European countries including Germany, Belgium, Hungary and Slovakia. The approximate range of the gross vehicle weight for the passenger cars is from 3,700 to 6,000 pounds. For multi-purpose passenger vehicles, the approximate gross vehicle weight range is from 4,700 pounds to 7,100 pounds.

The vehicles imported by Volkswagen Group of America, Inc. are manufactured by corporate affiliates including:

- Volkswagen de Mexico de SA, Puebla, Mexico
- Volkswagen AG, Wolfsburg, Germany
- AUDI AG, Ingolstadt, Germany
- quattro GmbH (an affiliated manufacturer producing special Audi models, Ingolstadt, Germany)
- Audi Hungaria Motor KFT, Győr, Hungary

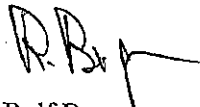

- Volkswagen brand vehicles produced by Volkswagen do Brasil with headquarters in Sao Bernardo do Campo, Sao Paolo, Brazil have been imported in the past and may also be imported in the future.

Volkswagen Group of America, Inc. does not currently, but may in the future, import incomplete vehicles or chassis-cabs intended for completion as motor homes or multi-purpose passenger vehicles or special passenger car models.

Please contact me at the address on this letterhead (which continues to be the location of Safety Affairs and Vehicle Testing) if you desire further information on the subject of this Part 566 information update.

Sincerely,

VOLKSWAGEN GROUP OF AMERICA, INC.
